

## **No consideration of adverse impacts on investment advice on sustainability factors**

July 2025

**Arion Bank hf.**

LEI: RIL4VBPDB0M7Z3KXSF19

Arion Bank hf., ("Arion Bank", the "Bank" or "we") does not consider principal adverse impacts ("PAIs") of its **investment advice** on sustainability factors.

Due to the unpredictable nature of investment advice, Arion banki cannot guarantee that principal adverse impacts will consistently be considered before investment advice is provided.

Where a client has indicated to Arion banki that they have a sustainability preference relating to the consideration of PAIs, Arion banki will satisfy such preferences.

The Bank will reconsider this approach for the next reporting cycle.
